

ExitVueTM

Artificial Intelligence Billboard

Capture shoppers as they exit your
website with custom offers.

ExitVue is an intelligent digital billboard for your website that utilizes **machine learning** to deliver a customized offer upon exiting your website.

ExitVue: Key Highlights

- Generates offers/rewards based on customer interest
- Engages your customers on exit
- Works seamlessly with TradeVue and PriceVue
- Sets up appointments to your dealership
- Easy to integrate OEM special offers
- Build a custom campaign for holidays or end of the month
- Weekly reports track results

“ExitVue shows one of several carefully crafted special offers if a customer leaves our website without converting.”
